NAVs shown above are as of immediately prior to the merger.

Exchange ratio represents the number of Acquiring Fund shares received per one Acquired Fund share surrendered.

Effect on Cost Basis

The Reorganization had no effect on cost basis. In general, each shareholder has an aggregate basis in Acquiring Fund shares received equal to the aggregate basis of that shareholder's Acquired Fund shares surrendered.

To determine the per-share cost basis of each Madison Mid-Cap Fund (f/k/a Members Mid-Cap Fund) share acquired in the Reorganization, divide the per-share cost basis of each Madison Mosaic Equity Trust - Mid-Cap Fund share held just prior to the Reorganization by the 'Exchange Ratio' shown above.

Shareholders should consult with their tax advisors for more information.
